A Thistle 202
   2 x 50gm

NEEDLES
1 pair 4mm (no 8) (US 6) needles

BEADS - approx 450 beads

TENSION
22 sts and 30 rows to 10 cm measured over st st using 4mm (US 8) needles.

SPECIAL ABBREVIATIONS
sL2togK = slip next 2 sts as though to K2tog; p2sso = pass 2 slipped sts over; bead loop = make bead loop by taking yarn to back (RS) of work and slipping 5 beads up next to st just worked, slip next st purlwise from left needle to right needle and return yarn back to front (WS) of work, leaving beads forming a loop in front of slipped st on RS.

Beading note: Before starting to knit, thread beads onto yarn. To do this, thread a fine sewing needle (one that will easily pass through the beads) with sewing thread. Knot ends of thread and then pass end of yarn through this loop. Thread a bead onto sewing thread and then gently slide it along and onto knitting yarn. Continue in this way until required number of beads are on yarn.
